Eagles Top-Rated For Title Repeat

Canyon's Eagles have been picked to repeat as District 2-AA football champions this fall.

This is the information coming from a 7-day coaching clinic at Houston. The Canyon High School coaching staff, headed by Coach Jeep Webb, attended.

Attending the conference from Canyon were Webb, Allen Simpson, Ned Jolly and Mike Winter.

The coaches of District 2-AA, of which Canyon is a member, slected the Eagles as the team to win the district title. Tulia was voted in second place; Floydada, third; Abernathy, fourth; and Lockney was picked for the cellar.

Coach Webb this week noted that his team has lost 13 varsity players through graduation and another won't return this fall.

"We'll have less speed and less experience than ever before but we will have more size than we've ever had. The 1963 season starting line should average about 180 pounds and the backfield should average about 157 pounds.

"Team averages for last year were 178 pounds for the line and about 160 for the backfield.

"We've had a weight lifting program going all summer with the boys lifting weights Tuesday and Thursday nights. We've had a lot of interest in the program with as high as 30 boys attending a night.

"Some of the boys have been going down to the city park and doing some running on their own.

"Formal football practice starts August 19 with workouts from 7 o'clock to 9 o'clock in the mornings and from 5 o'clock to 7 o'clock in the evenings. We will have the two-a-day workouts for a week and then we'll scrimmage the second week. We want everyone interested to come out and watch the boys work out.

"School starts on Thursday, August 29 and we'll have only one workout a day after school starts.

"The first game is September 6 when we play Dimmitt there. That won't be a district game.

"Canyon will play the same teams as last year with the exception of Sunray which will be replaced by Perryton, a 1-AAA team, a class higher than 2AA Canyon.

"Eddie Poole, our returning end, has been recognized as one of the outstanding high school football players in the state. He made the "Dream Team," a theoretical all-state high school football team chosen by the editors of Texas Football magazine. Poole was also picked as "All-State" over all the other classifications. The recognition places Poole as the best in his position for Texas high school football.

"Other returning linemen include Stanley Prichard as guard. He did an outstanding job for us at the end of the season last year. He weighs about 214 pounds now. We expect him to do an even better job for us this season.

"Wayne Colling, an end last season, has been converted to a tackle. He weighs 189 pounds. We have high hopes he will continue to improve at his new position and do as fine a job as he did last year.

"Another boy who played a lot last year is Joe Kerbel. As center he weighs 178 pounds. Joe did an outstanding defensive and offensive job for us last year as a sophomore. We expect even greater things

Boosters To Meet Tonight

The football season at Canyon High School will receive a "kick off" tonight (Thursday) at 8 p.m. when the Eagle's Booster Club holds their first meeting of the season at the Canyon High School Cafeteria.

Coach E. J. Webb will review activities of the football team prospects and introduce new coaches that will assume duties this fall. The first work out for the Eagle's will be Monday.

Dimmitt will be the first opponent for the Eagle's team. The football season will open with a game at Dimmitt at 8 p.m. on September 6.

New coaches that have been added to the staff include Ned Jolley as varsity assistant, Gary Steinberger as 8th grade football coach, and Stanley Lair as coach for the 7th grade. Allen Simpson and Mack Winter will return as coaches for the Eagle's teams.

Roscoe Richardson, president of the Canyon Eagle's Booster Club, announced this week that officers for the club will be elected at the meeting Thursday night. The public is invited to attend the meeting and meet the new coaches and review the outlook for the 63-64 football team.

Heritage Foundation Meet Slated Sunday

Members and friends of the Texas Panhandle Heritage Foundation will have an "inspection meeting" at the Palo Duro Canyon Amphitheater Sunday at 7:15 p.m.

Members and friends of the foundation may gather to inspect the amphitheater and its nearly completed ticket office and restroom building, according to Mrs. Ples Harper, President.

The building is complete enough that its plan is apparent and its effect on the amphitheater with its new entrance can be readily seen, Mrs. Harper said.

The audience will be asked to help make acoustical test to determine the effect of a large group of people on the theater's acousics, Mrs. Harper said. With a small audience, a coin dropped on the stage can be heard throughout the theater, she said. Such acoustical perfection is rare, she added.

Heritage foundation members and its friends will be given the opportunity to go into partnership with the foundation to produce the planned Panhandle Historical Drama during its opening year, Mrs. Harper said.

The executive board of the foundation has instructed its officers to draw up a plan offering 200 shares to be sold at $500 each, Mrs. Harper said. "This plan is to be accepted or rejected by members at the meeting. If the plan is accepted, foundation members who wish to become "angels" may do so immediately," Mrs. Harper said.

After the inspection meeting a group of special dancers from the Kwahadi Indian Dancers of Amarillo Boy Scout Troop 80 will present a program of Indian dances in the amphitheater.

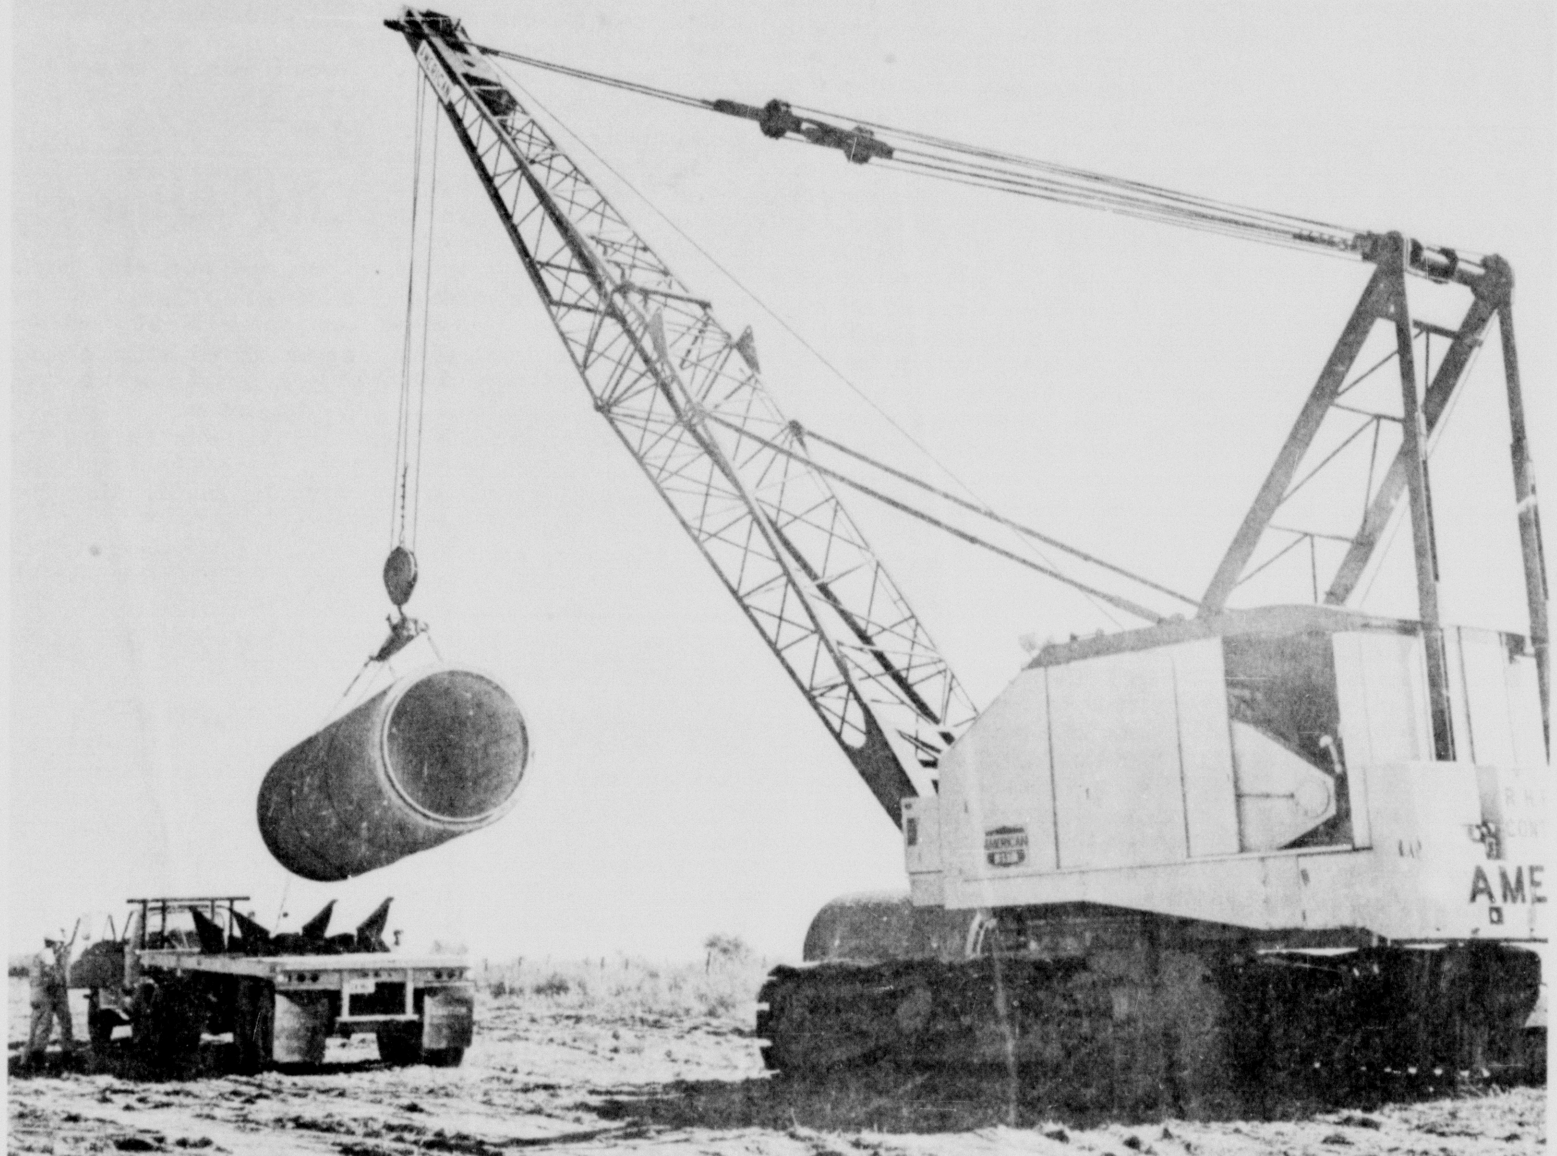
The dances will be presented to illustrate the acoustics and the effect of color and motion in the newly constructed outdoor amphitheater, Mrs. Harper said.

Temporary lighting for the show has been arranged through the courtesy of Southwestern Public Service Company, she said. The audience will sit on the concrete risers in the amphitheater as seats are not yet available, Mrs. Harper said.

The foundation will mail invitational cards to all members. The cards will allow free passage through the park gate after 6 p.m., the day of the meeting, Mrs. Harper said. Nonmembers of the foundation, though welcome to attend the meeting and Indian dance show, will have to pay the gate admission at the park gate, Mrs. Harper said.

Commissioners Court Fails To Act

No Raise For Judge



A crane is shown here unloading a 22-foot length of concrete pipe as work began Tuesday on the Canadian River Dam aquaduct east of Canyon. The length weighs about 36,000 pounds. It is 78 inches in diameter.

Law Books On Block After Legal Action

Randall County Commissioners Monday turned a cold shoulder toward an effort to secure a $3,500 raise for Judge Gene Jordan, presiding judge of the 47th District Court.

Canyon Bar Association petitioned the court to go 25 percent on the proposed raise, with Potter County to put up the other 75 percent.

The Bar Association's plea came in the form of a copy of a resolution passed by the association membership and signed by the association secretary, Elton Cox.

The resolution pointed out that Potter County has raised the salary of the 108th District Court Judge $5,000 annually and has further agreed to pay 75 percent of a $3,500 pay hike for Judge Jordan.

Cost to Randall County would be $875 annually. If the pay raise were granted it would give the 47th District Court judge a salary of $17,000.

Commissioners took no action.

The court bluntly warned county employees owing back taxes to pay up.

Randall County tax assessor-collector Bill Money last week served notice that the county would proceed against persons owing personal property taxes.

"It puts the county in an embarassing position if we take action and have someone who owes taxes working for the county," declared County Judge Wayland Angel.

Commissioner B.R. Jones suggested that word be "passed along" for county employees to square their tax obligations.

"If we can make it a hard and fast policy, I think we should," he declared.

"The court felt like all employees at the courthouse ought to have their taxes paid up if we're going to sue on them," Angel asserted.

Commissioners learned Monday that law books which they had thought made up the majority of the county's law library do not belong to the county at all.

As a matter of fact, it appears that some 59 volumes may be sold at a sheriff's sale to satisfy indebtedness against them.

Sheriff L.S. "Slim" Johnston said he had received notice that the books had $907.63 mortgage against them and that Lawyers Cooperative Publishing Company has obtained a court order of sale.

The order of sale, issued by a Dallas court, names Wayne Bagley. Commissioners were of the opinion that the books belong to the county but County Auditor E.T. Cummings declared that the county had never made a payment on them.

The books have been kept in the offices of the county judge and the criminal district attorney. Supplements have been coming in regularly and Judge Angel has been adding them to the volumes. Last edition of the volumes was dated 1948, according to Johnston.

County officials say they have never received a bill for either the books or the supplements.

Officials contacted Mrs. Bagley by telephone Monday. They quoted her as having said the books were purchased by Bagley and Roy Joe Stephens when the two were law partners here. No one at the court house seemed to know just why the law volumes wound up in the offices of the county judge and district attorney.

Commissioners court went on record requesting that Sheriff Johnston require a bond of Lawyers Cooperative Publishing Company before the books are auctioned.

Commissioner Glenn Dowlen was authorized to advertise for bids for seal coating of 4 3/4 miles of road. One segement of the road to be improved starts in front of the R.B. Gist Jr., home, thence east 2 miles and then 1 1/4 miles north. Another 1.6 miles of road to be sealcoated is located on the gas plant road.

In other business commissioners decided not to meet next week.

Lot Sale Postponed

Sale of some 20 lots on which taxes are delinquent has been delayed until October, according to A.W. Lair city attorney.

The lot sale has been rescheduled for the first Tuesday in October, Lair said.

Judgement was rendered on the lots Wednesday of last week The property will be sold at the Randall County Court House door.

Air Budget Next Week

Public hearing on the Canyon school budget of $900,281 will be held at 8 o'clock next Tuesday night at Canyon High School.

The budget hearing will precede a regular meeting of the Canyon school board.

One school board member at a recent board meeting noted that no one has shown up for a budget hearing in the past several years.

The budget probably will be formally adopted at the ensuing business session of the board.

Principals Get Ready For School Beginning

School officials this week are making preparation for the first day of school.

Registration for high school students will be Aug. 27 and 28.

Seniors will register from 10 o'clock until noon Aug. 27. Juniors will register from 1 o'clock until 4 o'clock the same day.

Sophomores will register from 9 until noon Aug. 28.

School officials said youngsters, other than first graders, who have recently moved to the Canyon community should enroll this week or next.

James E. Miller, high school principal, is especially anxious that high school students in this category contact his office in the high school building as soon as possible.

Transcripts of the work done in other schools must be received before proper classification can be made and enrollment completed, he declared.

"On the day students come to enroll, they should be prepared to clear all past due accounts and pay a student activity fee of $1.25," Miller declared. "Students having outstanding accounts from the previous year will be required to pay them before they may proceed with enrollment."

All high school students will report to the high school auditorium just prior to registration and receive instructions. Registration will be in the high school cafeteria and common areas.

Miller said students must have 20 high school credits to be eligible for graduation.

Junior High School registration will be under direction of L.H. Brotherton, principal. Ninth graders will register from 9 o'clock until noon Aug. 27 in the north gymnasium at the school.

Eighth graders will register from 9 o'clock until noon Aug. 28. Seventh graders will register from 1 o'clock until 4 the same day.

Elementary school students will report to their rooms at 9 o'clock Aug. 28. Teachers will have been assigned to rooms by that time and names of students will be posted on the doors of the rooms to which they will have been assigned.

First graders will register in the all-purpose room in the south wing of the elementary building, beginning at 9 o'clock the morning of Aug. 28.

Main office of the elementary school will continue to be in the south wing of the buildings, according to Oscar Hinger, principal.

First day of school will be Aug. 29. Buses will run and regular classes will be held.

PTA Board Meet Held

Program selection was previewed by Mrs. Rex Reeves at the final planning meeting of the 1963-64 PTA Executive Board Monday evening.

Rev. Dale Harter, president called the meeting to order and presided during the reports from committee chairmen. Officers and committee chairmen gave reports on their work and plans for the coming year in the Parent Teacher Association.

PTA night in Canyon will continue to be the third Thursday night of each month. It is hoped that careful planning, a good selection of programs and larger attendance will enliven the organization for betterment of the community.

"The Middle Letter Performs" will be the first program for the PTA meeting scheduled on September 19th at 7:30 p.m. Teachers will present the skit and all parents and teachers are invited to attend.

Mr. and Mrs. LeRoy Moreland, chairmen of the hospitality committee, announced that plans have been made for serving refreshments following the meetings this year.

Attending the final planning meeting were Rev. Dale Harter, president, Mr. and Mrs. LeRoy Moreland, Oscar Hinger, Mrs. Rex Reeves, Mrs. Deene Donnell, Miss Mae Simmons, Mrs. Lars Hamerson, Bill Oglesby and Mrs. Bob Hall.

Moisture Aids Crop

Rainfall records indicate that Canyon rainfall totals are just about one inch below normal for the middle of August, according to Dr. M. B. Measamer of Canyon.

Moisture was very beneficial to crops.

Recent rains contributed a total of 2.14 inches which, when added to the 11.91 inches total up to August 1, gives a total of 14.05 inches as of August 13.

The normal total precipitation amounts for Canyon as of the middle of August are about 15 inches, Dr. Measamer said. The total precipitation for the year in Canyon averages a little over 20 inches, he said.

Although the 14 inches total precipitation as of the middle of August is just one inch short of the average, it comes at the end of the normal "rainy season for Canyon" leaving little hopes for additional precipitation until the winter snows come in January, Dr. Measamer said.

Winter precipitation in late 1962 was unusual because of the relatively heavy snow fall in the Canyon area in November, Dr. Measamer said. Canyon received 4 or 5 inces of snow last November, he said.

Thirty Boys Report For Kid Grid Team

Some 30 youngsters reported for Kids Inc., football last Friday.

Kids Inc., football here is being organized by the Boys and Girls Committee of the Canyon Kiwanis Club. Hatcher Brown is chairman and the two other members of the committee are Wayne Edmondson and Bill Taylor.

Taylor has been appointed director of the group organizing small fry football.

Coaches for the three teams to be organized include V.W. Belcher, Jack Haimes, George Stevens, Wayne Edmondson, Ben Eads, Dale Martin, Don Kievit, Roscoe Richardson and Squirley Daniel.

Practice sessions got under way here Monday afternoon although suits will not be issued until Aug 19 according to Taylor. Practice is being held in Conner Park. The boys will drill about an hour and a half a day three days a week, Taylor reported.

The Canyon Kids Inc., teams will play as a part of the Amarillo program. Suits and equipment will be furnished by Kids Inc., to which Randall County contributes.

There will be three teams from Canyon. Two teams will be made up of youngsters 10 and 11 years old and one team will consist of boys 8 and 9 years old.

Games will be played once each week on Saturdays. There will be a six-game schedule.

Taylor said youngsters must have good grades in order to participate. He said the matter of scholastics will be settled by coaches and parents.

These small fry football players are Jerry Mariner, left, and Mickey Taylor. They will play as a part of the Canyon Kids Inc., program which is a part of the Amarillo program.

Pavement Contract Is Awarded

Canyon city commission awarded a paving bid to the Hugh Bledsoe Paving Company of Amarillo for the hard-topping of 13th Avenue between 24th and 25th Streets.

Bledsoe's low bid was $4992.80. The only other bidder on the paving was Louis Squires of Hereford. His bid was $5416.00. The paving is to be completed within 30 days of the bid acceptance.

The commission agreed to participate in the airconditioning of the city-county library with the county. The Canyon Junior Women's Book Club recently gave a check for $150 to the library towards the airconditioning project. The city agreed to split the balance with the county. One estimate for the air conditioning came to $528.00. The county has advertised for bids on the project.

The commission authorized payment of $1920.00 to Foran Construction Company of Amarillo for the installation of water and sewerage lines in the Ponderosa Addition.

The commission agreed to allow out-of-town transit buses to use 4 feet of the alleyway for parking between 4th and 5th Avenues in the 2300 block. Ray Campbell asked the commission to allow the buses to use 8 feet of the alleyway for parking but commissioners felt that a bus parked 8 feet in the 20 foot alley would cause congestion and possibly prevent passage of emergency vehicles through the alley.

Campbell made the request to ease parking problems on his business property which fronts on 4th Avenue.

In other action, the city granted R.T. Nowlin a permit to keep a horse in the 400 block of 1st Street.

The commission discussed various city problems including selection of an auditor for the next fiscal year, the passage of an ordinance amending the building code to require one off-street parking space per living unit in new apartment houses, the passage of an ordinance establishing new speed zones on 23rd Street, and the request of Doug Rittenberry to have the city participate in constructing a fence on the west side of the dump ground. The city, in 1959, agreed to pay $200 towards the cost of the fence. A question arose as to the length of the fence. The request was tabled for further study.

The commission also discussed the final disposition of the proposed fire prevention, trash collection, and health-sanitation ordinances.

of him this year.

"Jim Whinnery, of the backfield, was unanimous choice of the 2AA coaches last year for the 2AA district defensive team.

"Jim only weighed 152 pounds last year but has gained 14 pounds since and now weighs about 166 pounds. He will be an offensive starter for us this year. He is one of the best broken-field runners we have had since I've been here. Certainly, he is one of the hardest workers we have.

"Bobby Evans will be our other halfback. Bobby played a little for us last year and we are expecting a lot from him this season.

"Don Breitling, a quarterback last year, did an outstanding job. He is a good leader and a hard worker. We feel he'll do an even better job this year.

"Danny O'Donald was tackle for us last year and he did a fine job. He has lost weight from 220 down to about 198 which I feel will help him move. We expect him to help us a great deal on offense and defense this coming season.

"Other members of the varsity team for the coming season will be:

·Gary Winter, halfback, sophomore; Randy Buttrill, halfback, junior; Joel Richardson, quarterback, senior; Tom Lair, quarterback, sophomore; Wayne Brewer, halfback, sophomore; Tommy Sanford, halfback, sophomore; Wilson Howard, fullback, junior; Dennis Haley, fullback, sophomore; Alex de Schweinitz, fullback, junior; James Evans, center, sophomore; Bill Jarnagin, center, senior; Jody Sheets, guard, junior; Bill Miller, guard, junior; Rickey Miller, guard, junior; Red Parker, tackle, junior, Danny O'Donald, tackle, senior; Calvin Robinson, tackle, junior, James Cabe, end, junior; Skipper Moore, end, senior; Don Rhodes, end, senior; and George Cox, end, junior.

MR. AND MRS. ROBERT LEE DOWSE

Barnett-Dowse Vows Are Exchanged Here

Nuptial vows for Miss Patricia D. Barnett and Robert Lee Dowse were solemnized in a wedding ceremony performed by Rev. Jack Boyett, pastor of the Calvary Baptist Church, in the home of the bride's parents last Friday evening.

The bride is the daughter of Mr. and Mrs. Harold D. Barnett. Her husband is the son of Mr. and Mrs. E.M. Dowse.

The single ring ceremony was performed in the foyer of the home that was decorated with a centerpiece of large white and small blue chrysanthemums. White wedding bells were attached to the large bouquet with white and blue satin bows. Baskets of blue and white chrysanthemums flanked the centerpiece and satin bows of white and blue ribbon were attached to stair railing at the bottom step.

Escorted and given in marriage by her father, the bride wore a wedding gown of white nylon lace over nylon tulle and taffeta. Scalloped lace framed the scooped neckline of the fitted bodice. The petal point sleeves were fitted to the wristline. Scalloped lace was attached to the waltz length hemline and the skirt was caught into a large scallop on each side.

Her veil of nylon illusion was edged with fine filligree lace and held by a band of tiny white flowers that were complemented with tiny pearls and iridescent sequins. She carried a bouquet of white carnations, with cascading satin streamers tied in love knots, atop a white testament. A diamond necklace belonging to her grandmother, Mrs. Jeff Pittman, was worn for the ceremony.

A blue double knit wool suit was worn by Miss Gayle Rea as the maid of honor for the ceremony. She wore a white carnation corsage and accessories that were dyed to match the ensemble.

Kenneth Dowse, brother of the bridegroom, was the best man for the evening ceremony.

The reception was given in the home of the bride's parents, Mr. and Mrs. Harold D. Barnett, following the wedding ceremony. A three tiered wedding cake arranged on a pedestal base and topped with blue wedding bells was the central feature of the serving table. White swans graced the lower layers of the wedding cake. The cake was frosted white with blue heart and flower designs.

A white lace cloth over blue covered the serving table and was decorated with a centerpiece of blue and white chrysanthemums. Crystal and silver appointments were used. Napkins were embossed with Patricia and Robert.

An ice ring filled with small white flowers floated in the pink punch that was served by Miss Dana Anderson. Miss Janet Gerald served cake at the reception. Guests were registered by Miss Sidney Oldham.

For travel, the bride wore a beige silk linen suit complemented with a floral printed silk blouse. She selected bone accessories.

The couple will make their home at 506 4th Street in Canfollowing a wedding trip to points in New Mexico. The bride is a spring graduate of Canyon High School. Her Husband is employed as a painter for Crawford Ruthart.

Pre-nuptial courtesies extended to the bride included a miscellaneous bridal shower in the Bob Anderson home. Other hostesses for the occasion were Mrs. Clint Oldham and Misses Dana Anderson and Sidney Oldham.

Reception For Grads Tuesday

President and Mrs. James P. Cornette will honor summer graduating students and their families here at West Texas State University Tuesday at the president's residence.

The reception is from 8 until 10 p.m. Summer convocation, for about 190 graduates, is scheduled Thursday at 8 p.m. in the Fieldhouse, with Dr. David W. Mullins, president of the University of Arkansas, as speaker.

In the receiving line Tuesday will be Dr. and Mrs. Cornette, Regent and Mrs. Clayton Heare of Amarillo, Dean and Mrs. Walter H. Juniper, and Dean and Mrs. James L. Russell. Introducing guests will be Dr. Wendell Cain.

In the house party for the reception, will be Miss Ruth Cross, Mr. and Mrs. Mitchell Jones, Mr. and Mrs. Frank H. Morgan, Mr. and Mrs. Virgil Henson, Dr. and Mrs. A.K. Knott, Dr. and Mrs. Robert C. Busteed, Dr. and Mrs. Lowell Harrison, and Dr. and Mrs. Emmitt Smith.

Mrs. Elva Devers of Canyon will play incidental music.

Bridal Shower Held For Linda Phillips

White roses and chrysanthemums, flecked with silver, formed the setting for a miscellaneous bridal shower honoring Miss Linda Phillips, bride-elect of Wesley Bourn.

The bridal shower was given in the home of Dr. and Mrs. A.K. Knott last Firday evening between 7 and 9 p.m.

Members of the receiving line were Mrs. A.K. Knott, the honoree, Mrs. A.G. Phillips, mother of the bride-elect, and Mrs. Ed Bourn, mother of the prospective bridegroom. The bride-elect was dressed in blue with a corsage of blue and white carnations complementing the ensemble. Both mothers wore white carnation corsages.

Guests were registered by Mrs. Jackie Whitley and punch was poured by Mrs. Frank Mullican, both are sister of the prospective bridegroom.

The refreshment table was laid with a Belgian lace cloth and centered with a bouquet of white roses and chrysanthemums that were flecked with silver. White tapers in silver candlesticks flanked the floral centerpiece.

White party cake squares were topped with miniature blue wedding bells and the punch bowl was centered with an ice ring containing blue flowers. Nuts were served from a tall crystal bowl. Appointments were in crystal and the home was decorated with the bride-elect's chosen colors of blue and white.

In the "gift room" gifts were displayed from about 100 friends and relatives that called during the evening. The hostess gift was an Electric Frying Pan.

Hostesses for the occasion were Mesdames A.K. Knott, Frank Begert, Mae Bond, E.A. Brown, JoZach Byrd, R.C. Campsey, Levi Cole, Wesley Cox, A.B. Holt, Mae Johnson, Hampton Lisle, R.O. McKay, C.M. Presley, Henry Wiggins, E.R. Wright, and Miss Edna Graham.

S. L. Robinsons Entertain Guests

The S.L. Robinsons entertained guests, Mrs. Marcus Conway and Mrs. Lena Neilson, with a salad supper in their home last week.

Mrs. Conway is a granddaughter of the Robinsons and is visiting from Tucson, Arizona. Mrs. Neilson is a sister of Mrs. Robinson and her home is Sacramento, California.

Other guests attending the salad supper were Mr. and Mrs. Bill Harwood and children from Amarillo, Mrs. W.T. Robinson from Happy, Mr. and Mrs. Glenn Dowlen and George, Mrs. Tom Lawler, Mrs. C.M. Dowlen, and John F. Robinsons all from Canyon.

CanyonCapersNames Mrs. Prichard Queen

Inez Prichard was elected as Queen of the Canyon Capers, a local square dance club, at a meeting held Monday night.

She will represent the club at the District Queen of Square-Dancers Contest this fall. Queens are judged on the activities that they have done to improve and promote the club. She has served as club treasurer this year.

Several members of the Canyon Capers will be attending the Square-Dance Jamboree in Ruidoso, New Mexico this week end.

LeRoy King was guest caller for the meeting Monday evening. He is a member of Ye' Ole Squares Club in Amarillo. About 30 club members were present along with guests, Mrs. Virginia Barrego, Mr. and Mrs. George Fry of Hereford, Mr. and Mrs. Troy Riddle of Amarillo, Mrs. Francis Davis and Mrs. Eva Deen, both of Canyon.

The club banner that was captured by the Hereford Square Dance Club has not been recovered by the Canyon Capers. To recapture their banner the Canyon Capers must take at least four couples to a meeting of Hereford Square-Dance Club.

A meeting on Monday, August 19th, will be held at the Student Union Building on the campus of West Texas State University. All members of the Canyon Capers are urged to attend and visitors are welcome. Home-made ice cream and cake will be served following the meeting and dance.

Special Guest Auxiliary Meet

Mrs. Reece Kesler of Dimmitt was a special guest at a recent meeting of the Canyon Chapter of the Veterans of Foreign Wars Auxiliary. Mrs. Kesler is president of District 13.

The meeting was held at the VFW Post home. Mrs. Jesse Bewley, junior vice president, was in charge of the business meeting.

Members voted to contribute $25 to the Stipe family.

Mrs. Johnnie McBroom was appointed chairman of the Essay Committee.

Members present were Mesdames Hazel Swink, R.E. White, Johnny McBroom, Viola Russell, Jesse Bewley, Tommy Hunter, Glenn Gardner, George Stevens, Lawrence Hunnicutt, Joe Winstead, John Hardaway and the guest, Mrs. Kesler.

Mrs. George Stevens will be hostess for the next meeting in her home on September 2.

Classmate Reunion Held Here

A "classmate reunion" was held last Saturday in the home of Mrs. Meade Humphries of Canyon.

Guests attending were treated to a salad brunch. The visiting program included the activities and what has happened to each guest since graduation from High School in 1957.

Attending were Mrs. Joe Britt, Miss Sandra McHale, and Mrs. Marla Hughes, all of Canyon, Mrs. Barbara Measles of Tulia, Miss Jackie Barnard of White Deer, Mrs. Theora Downing of San Francisco, California, and the hostess, Mrs. Humphries.

4-H Picnic Set Sunday

A "Hot Dog Supper" for members of the Workers 4-H Club will be held Sunday from 3 until 7 p.m. on the picnic grounds at the VFW Hall.

The picnic committee of the club held a special meeting last week at the home of Mr. and Mrs. Ted Allen, club sponsors, and made plans for the event.

Members attending were Sharon Allen, Charlotte Dietz, and leaders, Mrs. J.H. Dietz, and Mr. and Mrs. Ted Allen.

Mrs. Dan K. Usery was in Vernon recently to visit with her mother, Mrs. Laura Duckworth.

Mrs. Duckworth returned to Canyon with her daughter and will visit for a while before returning home.

Visiting with Mr. and Mrs. Jack Walker recently were Mr. and Mrs. Allen Farlow from Midland.

Picnic Held At Reynolds Ranch

The Young Homemakers and Young Farmers and their families were entertained with a picnic supper at the Roy Reynolds ranch recently.

Approximately 45 attended the picnic outing including the families of Rodney Myrick, Walter Cranmer, Milton Bagwell, Leon Bagwell, Cecil Winn, Roger Dugan, Benny Abbott, Leroy Bauer, Billy Dugan, James Bible and Roy Reynolds.

Two Attending FHA Conclave

Miss Doris Smith and Mrs. Clara B. Long are in Austin this week to attend the meeting of the State Future Homemakers of America Executive Board.

The executive board consists of State FHA officers and Area presidents and fifth vice presidents. Plans will be made at the meeting for the State FHA meeting to be held in Austin in May of 1964. They will also make plans for the ten area workshops throughout the state next spring.

Miss Smith is a student at Canyon High School and received the State FHA degree this spring. She is the fifth vice president for Area I and will edit the FHA Area I Newspaper, covering 119 chapters, this fall and next spring.

Mrs. Long and Miss Smith will work with the Publications Committee at the meeting in Austin. They left Canyon Monday evening and will return on Friday of this week.

Plans Made For Jaycee Horse Show

Canyon Jaycee Ettes held a business and social meeting at the Charles Marshall home Monday evening.

Mrs. Bob Wilkinson was appointed committee chairman for the September Horseshow. The Joycee Ettes will help the Jaycees during the event.

Mrs. Richard Pruett was selected to contact the State Scrapbook Rules Committee for information concerning the annual yearbook of clippings and activities of the organization.

The group played games of Bridge following the meeting and refreshment period.

Members attending were Mesdames Roy Fortune, Odell LaGrone, Delbert Turk, Jerry Swaringen, Elmer Clement, Bob Wilkinson, Richard Pruett, Jim Thomas, Jim Marshall, Nick Dodson, and Charles Marshall.

Furlow Family Has Reunion

The Furlow family reunion was held last Sunday at McKenzie Park in Lubbock with about 70 people in attendance. Each family brought a basket lunch and spent the afternoon visiting.

Mr. and Mrs. R.T Furlow and Mrs. Donnie Collins of Canyon attended the reunion. Other area relatives at the reunion were Mr. and Mrs. T.S. Furlow and Mrs. Verline Bewley of Tulia, and Mr. and Mrs. Norman Jasper and Stacey from Amarillo. Mrs. Katherine Petty and sons, Mike, Shannon, Eric and Bruce from Norman, Oklahoma were also at the reunion. Mrs. Petty is a daughter of the R. T. Furlows.

Beard Family Reunion Held

A family reunion was held last week end for the Beard family. The reunion gathering of relatives was in the T.E. Beard home.

Attending were Edgar Stuteville of Tuler; Dr. John L. Beard of Irving; Mr. and Mrs. Le Ray Beard and grandson, Jess Beard, from Goldthwaite; Mr. and Mrs. Truman Beard of Fort Worth; Mr. and Mrs. Van Wheeler and son, Ray, from Arlington; and Mrs. Frances Burton of Wichita Falls.

K. E. Hines Are Hosts For Supper

A "covered dish supper and movie party" were enjoyed recenty by a number of guests at the K.E. Hines home.

Chicken, potato salad, baked beans, tossed vegetable salad, tea or coffee, homemade ice cream, and chocolate and orange cake were served to guests attending.

Explorer Post No. 31 and sponsor, Bill Downing, were special guests at the supper. Movies shown during the evening were taken on a recent fishing trip made by members of the Post to Saskatchewan in Canada.

Attending the supper were Mr. and Mrs. Bill Downing and son, Steven; Mr. and Mrs. T.S. Stephenson, Jr. and son, Paul; Rev. and Mrs. Newton Starnes and son, Charles; Mrs. Ruth Brillhart and sons, Sam and Grover; Mr. and Mrs. C.C. Callarman and sons, Tommy and Jim; Mr. and Mrs. Ted Kelley and son, Lynn; Mr. and Mrs. Charles Holcomb and son, Scott; and the hosts, Mr. and Mrs. K.E. Hines and sons, Stephen and Mike.

Mr. and Mrs. E.A. Stocker of Umbarger announce the engagement and approaching marriage of their daughter, Mary Frances, to John Will Dorsey, Jr., son of Mr. and Mrs. John Dorsey of Umbarger. Wedding vows will be exchanged at a nuptial mass on September 17 in St. Mary's Catholic Church in Umbarger. Monsignor Bosen will officiate at the ceremonies.

Visiting with Mr. and Mrs. Bill Elliott at Las Vegas, New Mexico last week end were his sister, Mrs. John C. Whinnery, and family from Canyon.

Alice West of Longview has been visiting for several days with her niece, Helen White Moore.

Eight Boy Scouts Take Trip To Saskatchewan

Churchill River and Lac La Ronge, located in the northern part of Saskatchewan in Canada, were toured and visited recently by eight fishermen from Explorer Post 31 in Canyon and their sponsor.

The two week fishing trip was made by Sam Brillhart, Jim Callarman, Charles Starnes, Lynn Kelley, Steven Hines, Scott Holcomb, Paul Stevenson, Steven Downing and sponsor, Bill Downing.

Expense money for the camping trip was collected through efforts of the boys in selling trash barrels and fertilizer to citizens of Canyon during the year.

The group left Canyon on July 15 and spent their first night in Valentine, Nebraska where they camped out in Valentine Park and went swimming in the lake there.

Diamond C. Ranch in North Dakota was the second camp site for the group. They were guests of Jack Dvirnak, grandfather of Charles Starnes, for the night.

They spent one night in the capital of Saskatchewan, Regina, in the backyard of the Tony Wszalik home. Several of the boys had been corresponding with Wszalik since 1961 when they met him on a group trip to the same area.

Lac La Ronge was reached on the fourth night and they set up camp there for four days of fishing and hiking. The fishermen averaged between 6 and 50 fish per half day. A 29 inch northern pike was the largest fish caught by the boys. They also caught a good size pickeral, about 20 inches long.

"A hungry dog slipped into camp one night and made off with about 10 pounds of our bacon," said Charles Starnes.

Following four days at Lac La Ronge they moved their camping and fishing gear to Churchill River where they spent two days before starting home.

"Sir Spider", a baby hawk, was caught by the boys on the trip home. The hawk is now at the Bill Downing home in the backyard and is a novelty to the neighborhood children.

"The children keep busy catching grasshoppers and small frogs to feed "Sir Spider" and he seems to be doing fine," commented Mrs. Bill Downing.

Lynn Kelly holds young red tail hawk which he, Charles Starnes on the left, and Steven Hines on the right and several friends caught in Nebraska recently. The hawk is about six weeks old.

Cecil Pitt Is Injured

Cecil Pitt is improving following an automobile collision near Hillsboro, Kansas on July 31. He is the son of Mr. and Mrs. P. L. Pitt of Canyon.

Pitt was driving to work as a telegrapher for the Rock Island Railroad at White City, Kansas when the accident occured.

Melvin Hien, local farmer in the Kansas community, entered the Farm to Market Road directly in the path of Pitt's automobile. A tall field of cane partially blocked the drivers view. Mr. Hien died from injuries sustained in the accident.

Pitt was hospitalized for about 10 days at Hillsboro, Kansas with internal injuries, several broken ribs and a shattered section of bone in the spine. He received a punctured lung and a wound in his knee that required 16 stitches to close.

He has been released to the care of his parents and is now being treated by doctors at Neblett Hospital in Canyon.

He was reared in Canyon and married the former Nikki Cabe of Canyon. Mrs. Pitt is the daughter of the Jim Cabe family of Canyon. The couple has three daughters, Kerri, Shelli and Cindi.

The wedding ceremony for Lt. Perry Neil Slagle and Kay Tankersly was attended by his sisters, Mrs. Louie Davis and Mrs. Don Rice of Canyon, and his mother, Mrs. Ann Slagle of Tucson, Arizona.

The marriage was solemnized in the First Christian Church in Dallas recently.

Mr. and Mrs. Robert L. Rice were in Elkhart, Kansas las week to visit with her son's family, Mr. and Mrs. Carl Wayne Hitchcock, and a number of other friends in the area.

Mrs. Fred Richard and children, Sammy and Pamela are visiting this week at Clinton with her parents, Mr. and Mrs. A.J. Rogers.

Mrs. Carol Daniel of Hermosa Beach, California accompanied her mother on the trip to Clinton to visit with her grandparents.

Visiting with Mr. and Mrs. Bobby C. Rivers over the week end were his parents, Mr. and Mrs. C.E. Rivers, from Rotan, Texas.

The Oldham County Reunion and Round-up held at Vega over the week end was attended by Mr. and Mrs. N.W. Roberts of Canyon.

The Roberts family formerly lived in the Vega community. They were accompanied to the festivities by their granddaughter, Jan Mills, of Aspen, Colorado who is spending several weeks visiting here.

Raymond and Gray Stipe, sons of Mr. and Mrs. J.T. Stipe, are visiting this week with Mr. and Mrs. O.J. White at Espanola, New Mexico.

Raymond and Gary are nephews of the Whites.

Visiting with Mr. and Mrs. R.M. Strohmeyer recently was their nephew and family, Mr. and Mrs. George Bauler and cildren, Cherry Ann, George Allen and Dale, from Krum, Texas.

Kenneth Strohmeyer, son of the R.M. Strohmeyers, returned to Krum with the Bauler family for a two week vacation.

Mrs. G.A. Strohmeyer also traveled to Krum with the Baulers and will spend two weeks visiting with relatives and friends at Pilot Point.

Mr. and Mrs. Lawrence Hunnicutt and family were at Stratford last Sunday to visit with Mr. and Mrs. Wayne Dean. The Dean's are former students at West Texas State University.

Visiting in the L.H. Crawford home this week is Mrs. Vera Anderson from Morris, Texas. She is also attending the Reading Conference at West Texas State University.

Walton Bagley In Summer Camp

Cadet Walton M. Bagley of Canyon, is participating in the Air Force Reserve Officer Training Corps (AFROTC) summer encampment here.

Cadet Bagley, son of Mr. and Mrs. Windfield K. Bagley of Rt. 1, Canyon is observing and taking an active part in various phases of base operations during the encampment period.

A member of the AFROTC program at North Texas State University, he will be eligible for appointment as an Air Force second lieutenant upon graduation from college.

The cadet is a graduate of Canyon High School.

Browns Return From Fishing

Mr. and Mrs. Farmer Brown have returned from a fishing trip to Creede, Colorado where they were joined by their daughter-in-law, Mrs. Betty Jo Brown, and children.

Mrs. Brown and children had been on a month's visit in California with the Bill Fonti family.

The Bill Knighton family was with the fishing party at Creede.

"We had fine fishing, and caught all of the fish we could eat", commented Farmer Brown.

The Farmer Browns visited in Platoro, Colorado with their daughter, Betty Hancock, and family enroute home. The Hancocks operate a fishing camp at Platoro during the summer months.

Baptist Revival In Progress

"Walk Worthy" is the program theme for a week of revival meetings being held at the First Baptist Church of Canyon.

Rev. Ed Crow, pastor of the First Baptist Church in Brownfield, is the guest speaker. The musical programs are being directed by Charles Lovell, of the First Baptist Church in Canyon.

The revival meeting began on August 11th and will conclude with services on August 18th. Programs begin at 7:30 p.m. each evening.

Lady Bowlers Plan Meeting

The Ladies League Bowling teams will have a planning meeting on Tuesday evening, August 20, at the home of Mrs. Carol Schrib, 2507 12th Avenue.

All interested lady bowlers are urged to attend the meeting that will begin at 7:30 p.m. Teams and plans for the fall league will be discussed at the meeting.

The ladies league had ten teams in competition last year and are hoping to have twelve teams this fall. Teams are made up of four team members and bowling shirts are furnished by the team sponsors.

A trophy committee will be appointed at the meeting and the group will adopt rules for the fall ladies league.

Student Union Building Is Central Point At WT

"The Student Union Building is the family center of West Texas University," is the way Bob Byrd, new program director for the "SUB", describes its activities.

"It is the one place on campus where the students can spend their leisure time in a family like atmosphere. Most of the student activities on campus center around the Student Union.

"One of the top activities by the SUB is the annual Homecoming celebration with after game dances featuring nationally known entertainers, parades complete with floats, and a big campus barbeque," Byrd said. As program director for the SUB, he is responsible for the supervision of all these activities.

During the Fall the Student Union sponsors some 24 dances in the ball room. These include dances after each home football game. The SUB also has facilities for conferences and meetings among the students, faculty and campus organizations.

The working part of the student senate is the student union board, composed entirely of students. It is responsible for the planning and actual work of setting up the various student union activities.

For example, when a dignitary is visiting the university and the president wants to have a reception, the Hospitality Committee plans the event, gathers materials, sets the reception up and even serves it.

The use of the meeting rooms in the Student Union Building, although free to students, faculty and campus organizations, must be reserved through the program director's office before use. The meeting rooms and the ball room have been used by non-campus groups but only on a rental basis, Byrd said.

The SUB program director is an exofficio member of the student senate which is the governing body of the Student's Association and the Student Union. Although the program director does not have a vote in the meetings, he does attend all the senate meetings and acts in an advisory capacity.

Facilities in the SUB include the book store, post office, snack shop, cafeteria, campus security offices, university health center, Student Union lounge, the meeting rooms and the ball room.

With the opening of the newly constructed cafeteria services across campus, some of the load should be removed from the cafeteria located in the Student Union Building. It will continue to serve regular meals, according to Byrd. The food will be cooked in the kitchens of the new cafeteria and carried by special truck to the Student Union cafeteria.

The budget of the Student Association is worked out on the basis of the $1 per student per semester that the Union receives from the $27 student fee charged each student when he or she registers.

Taken from this $1 share of the student fee is one half the cost of the Student Union program director's salary. The Student Association pays half and the university pays the other half.

Salaries for the Student Senate president and the Student Union Board president also come from the Student Association budget. Other expenses include the utility and phone bills, furniture replacement, puchase of recreation materials and special services such as the costs of transportation and equipment for the university cheerleaders.

The Student Union publishes the student handbook which gives valuable university information to all WTU students. The Union also prints a social calendar with the year's social and athletic events that concern the students and faculty.

The Student Association has other incomes in addition to its $1 share of the student fee. The snack bar gives the association 10 percent of its gross income and the student book store turns all its profits over to the University which returns part of the money to the Student Association through the program director's salary. The Student Union receives a part of the profits from the sale of cold drinks at the numberous cold drink machines around the campus. The total Student Association budget for the 1963-1964 year is $10,138.

Future plans for the Student Union center around a need for more space.

More complete recreational and additional educational facilities are high on the list of needed improvements, according to Byrd.

In the near future, the Student Association hopes to provide the SUB with additional meeting rooms to handle the overflow use of the present rooms by campus fraternities, sororities and other clubs and campus organizations. Overnight accomodations for official University guests are in the picture also.

At the present, when a large conference is held on campus, the various little meetings and groups have to hold their get togethers all over the entire campus as there is not room for a large conference within the Student Union building, according to SUB program director Byrd. University professors like to hold their night classes in the meeting rooms which are air conditioned and have a sink and coffee making facilities, he said.

A crafts and hobby shop is planned for the union building. It will be a place where the students and faculty can learn to work with metal, wood, leather, plastic and ceramics. A darkroom with developing equipment and an enlarger will be a part of the proposed crafts and hobby section of the union.

Another addition to the Student Union would be a browsing room with the latest popular and scientific magazines, out of town newspapers and professional publications available for the students and faculty. These publications now may be available at scattered points over the campus but they are not available to all the students and faculty at one place, according to Byrd.

A music and art appreciation section would be another needed addition to the Student Union facilities, he said. It would have several soundproof rooms with high fidelity record players and a central record library. Students would be able to check the record out and play them in privacy in one of the music rooms. Facilities would also be available in the section for the display of student and faculty art.

An information desk would be located in a central position in the Student Union to provide information to visitors and new students concerning the campus facilities and activities.

Packages Are Sent By Local Sunbeam Group

"Sunbeams in Focus" is the theme for a week of Sunbeam activities being held at the Calvary Baptist Church of Canyon this week.

The girls have a "Christmas Tree in August". The annual project includes gathering packages and mailing them to a missionary in a needy area. Packages are being sent to Kingsville, Texas this year to the Spanish speaking children there.

A picnic will be held at Conner Park tonight for the Sunbeams.

"World Friends Day Camp" will be held for the 8 year old Sunbeams Friday at the Baptist Camp Grounds.

Other activities during the week included a field trip to the Panhandle Plains Museum on Monday and a program at church services Wednesday evening. "Sunbeams and Missions" was the topic of the skit and the girls were dressed as children from various foreign countries.

Deborah, Elsie and Arthur McCandless recently spent a week visiting with their grandmother, Mrs. C. A. McCandless, in Wheeler.

Miss Linda Harrison of Canyon was an overnight guest of Miss Debby McCandless this week.

Mrs. Bertha Lyle recently spent the week end at Borger visiting with the family of her son, Andy Lyle.

Hilltop Views

"I have a hunch" that a variation of my stories about Canyon and the college might be welcomed by some who follow these lines, so my theme today is not exactly the same as that of the past few weeks. I admit, however, that there are some important educational tales left hanging. But time will take care of these.

A recent story coming out of New York started me to "viewing with pride" Canyon's contribution to Texas and the nation. It concerns a highly respected pioneer Panhandle family, some of whom are still here.

As recently circulated around town by word of mouth the story is typically American and should be an inspiration to hundreds of Canyon youth today.

Thirty to forty years ago Harvey Cash, Jr. was just another boy around town here. Oh yes! he was a good boy with a good family background, but none of us adults ever thought of him as a potential national and internaltional industrial leader. We expected him to become a successful and useful citizen, but hardly a figure of such stature as he has attained.

But listen to the story. When the lad was ten years old his family moved to Canyon from Dimmitt, where his mother had grown up. After a time his father, Harvey Cash, Sr. became city secretary here and served in that capacity several years. Young Harvey attended Canyon High School, and after graduating there went to West Texas State one year. He then went to Texas A. & M. where he was graduated in Electrical Engineering.

Upon graduation he went directly to the Texaco Oil Company. Today he is a senior vice-president of that company, a member of its Board of Directors, and directs all foreign business of that giant corporation. In addition to these responsibilities he is a member of the Board of Directors of an organization composed of four of this nation's largest oil companies -- an organization which deals with international complications in the oil industry as they concern our national welfare. In that capacity he has recently had a part in an internationally vital crisis in Indonesia.

Further illustrating the wide range of his responsibilities he was in Saudi Arabia a short time ago--one of the newer oil-rich nations of the world and a hot spot in international politics.

While there a most unexpected co-incidence occured. It just happened that another Canyon boy who grew up here contemporaneously with Harvey was in the same city at the same time on another international mission. Wholly unexpectedly they came face to face. You can imagine the kind of emotional explosions that took place that day on the Arabian desert. "Vincent Lockhart, what the dickens are you doing here?" squalled Cash. And I'd be willing to bet that both shed tears of joy.

Lockhart was a son of Professor W. E. Lockhart, for many years head of the Department of Business Education at W. T. who coached many college tennis teams to championships.

Vincent himself was in Arabia for some time on an international mission. I hope I can give you his story of achievement in a later article.

Back to Cash. His wife is the former Mary Berryman of Canyon and they have one son--a young man who is well-started on a career of his own. And if I had to make a guess I would say that Mary Berrymen (a graduate of W. T.) had a lot to do with making Harvey Cash, Jr. a "big shot".

And I cannot close without paying tribute to the four lovely Cash sisters. Fannie, the oldest, has hada fine career in Education and is now hostess in a girl's dormitory at Texas Tech. Lillian, a beautiful character, unfortunately passed away in her young womanhood. Dorothy has lived at Shamrock several years and reared a fine family. She is in W. T. this summer working toward a Master degree. Rosa is well known in Canyon as Mrs. O. P. Cowart and is the mother of several brilliant children.

Each of these four Cash sisters is a graduate of West Texas State. But for the quality of their lives of service, as well as for Harvey Jr's brilliant career, let's give full credit to their parents, Mr. and Mrs. Harvey Cash, whose domestic life is a rich example to their countrymen.

Kennedy Baby

(An Editorial)

Sometimes it is hard for us to visualize such public figures as the John F. Kennedys as being people too.

They are, you know, and like the rest of us enjoy life's pleasures and suffer its sorrows and heartaches.

We mourn with the President and Mrs. Kennedy the loss of their little son, Patrick Bouvier, who lived for only a little more than 39 hours.

With sorrow and regret, we join the people of Canyon and Texas in an expression of sympathy for the first family. It is our earnest hope that they will be comforted in their hour of distress.

Letter To The Editor

August 9, 1963

Mr. Troy Martin, Editor,
The Canyon News,
Canyon, Texas

Dear sir:

There are probably very few things about President Kennedy that could meet with your approval. What he says, how he says it; what he does, how he does it are subject to rather scornful comment. It is fine to form opinions and to have convictions, but opinions should be based on more fact and less fancy. Convictions might then be more convincing - especially to those who have an opposing opinion, and in general, they are the ones you want to reach. There were three items in the August 1 issue of The Canyon News that aroused me to the point of writing this letter. One was your editorial "Who Profits?", and the others were two observations in the Canyon Rim.

1. Enclosed is a copy of a Ralph McGill column clipped from the Toledo Blade of August 6. It is a syndicated column so perhaps you have read it. I also recommend Norman Cousins' editorial in the August 10 issue of The Saturday Review, The Test Ban and Beyond. The opinion expressed in your editorial puts you with the already strange bedfellows of De Gaulle, who doesn't seem to want to cooperate with anyone, and Red China, who doesn't seem to care what happens to anyone. The opinions expressed both by McGill and Cousins would seem to answer your question, "Who profits?" with "Mankind."

2. It was rather coincidental that the McGill column of the following day would give figures of an election in Pennsylvania that would seem to balance the statements of the people in Colorado, Kansas, and New Mexico interviewed for your Canyon Rim column. President Kennedy has lost their votes; in Pennsylvania he evidently gained some. This column too is enclosed for your interest.

3. The third item that I thought based on fancy rather than fact was the opinion to the

(See LETTER Page 3)

by Troy Martin

FROM THE CANYON RIM

We have been chided for our recent stand against ratification of the test ban treaty.

However, we were chided mostly for disagreeing with the positions of President Kennedy and Dean Rusk. The questions we raised about the treaty went unanswered.

In our comment on the treaty, we pointed out that it ties the hands of the US in fields of nuclear weaponry in which we lag and leaves the field wide open for the Soviets to test in areas in which they are behind. So far, nothing has been said to allay our fears in this area.

Our representatives dealt with the same Nikita Krushchev who declared, "A shrimp will whistle before we turn aside from the teachings of Lennin." Lennin taught his deciples that deceit is the working tool of the communist.

No one has ever told us the exact value of a treaty with people of his philosophy just as no one has ever explained to us the value of sitting in the United Nations in which these people have veto power.

The goal is laudable. Our question simply is: Is the treaty serving the best interests of the American people or of the leaders of the Kremlin? We fear the latter.

We don't want to see the treaty ratified by the Senate under Madison Avenue type pressure used so often by the administration. We want to see our Senators take a good look at this bit of paper before giving their approval.

***

Another aspect of the treaty is its propaganda value to the communists in areas they already occupy.

Pictures of Harriman in the affectionate embrace of Nikita Krushchev were flashed across Europe during the Moscow talks. Try to imagine yourself a Hungarian seeing your only possible deliverer in the loving embrace of your most mortal enemy.

We had the same queasy feeling when Eisenhower entertained the chairman in this country a few years back. Krushchev may be top of the heap in Russia today but he always will remain the butcher of the Ukraine with the blood of millions on his grubby little hands.

***

The war goes on in Korea, Laos and Viet Nam. We've had agreements and truces in all these areas.

We challenge the proponents of the test ban treaty to show us ONE instance in which the communists have kept their word on a major agreement.

We are not saving our land from nuclear fire and brimstone. WE ARE ASSURING ITS FALL UPON US.

***

Ever wonder why weeds are prone to grow next to and sometimes through pavement? We may have the key to the mystery.

Amonium nitrate is used in paving. Amonium nitrate is a fertilizer and fairly makes weeds jump.

Cattlemen Beseiged

(An Editorial)

A scheme to put the Department of Agriculture into the cattle business is meeting sharp opposition from cattlemen all over the country.

And it should.

The plan would use American tax dollars to subsidize newcomers to the already crowded beef cattle business. Traditional beef producers label it as unfair and we agree with them.

The USDA has a plan that would encourage grazing of acres diverted from grain and crop production under government subsidy and control programs. The diverted acreage program entails payment to those who take cropland out of production.

Approximately 40 million acres were taken out of production with an average payment of $14 per acre per year, according to published figures.

As it is now, this acreage cannot be grazed.

Another USDA agency helped the landowner pay the cost of preparing the seedbed and chipped in on seed and fertilizer to cover that land with conserving grass.

Now the government wants to permit the grazing of grass which the taxpayer helped to pay for, plus paying the landowner half the fee he now receives for having taken the land out of production.

The USDA also has proposed making land payments in a lump sum. Cattlemen object most vigorously to this saying that the government would in effect then be putting up capital for a newcomer to go into the cattle business on newly diverted land.

Cattlemen say this would amount to the government paying a new cattle producer to use his own land.

Aim on the USDA is thinly transparent. Here is an effort to force a traditionally independent segment of our economy under the government umbrella of "protected" economy.

It is another overt move of Potomac socialists to seize this country's power to produce.

effect that President Kennedy may lose the White House because of his stand on civil right. How so? He had the majority of the negro vote before, and as it is doubtful that they would vote for someone who favors a slower approach (actually many negro leaders criticize Kennedy for not moving fast enough), for whom else would they vote? In many parts of our country they can't vote at all, and even with legislation, that particular problem may not be solved within a year. He has nothing to gain from their direction, and if indeed he risks the White House because of his stand on their behalf, it would seem to me that he shows his profile in courage for what he believes is right. Political expendiency would demand that his "unabashed grab" be in the direction of a minority whose votes he did not have before, but it is doubtful that he could ever win the John Birch Society.

President Kennedy did not cause the race problem. He inherited it from all since Lincoln, and it has been festering since then. Now the boil has burst and, lest the infection kill us all, it must be cleansed - and not with fire hoses. Like it or not, the president is the doctor, and he deserves the cooperation of the family as well as the patient. Disagree with his treatment if you will, that is your privilege, but at least offer some criticism other than "You're making it worse", and some suggestion other than "Wait." The 100 years of waiting with no demonstration has brought neither social acceptance nor equality of opportunity.

If what the Negro yearns for is social acceptance, he must know that the first step in that long uphill journey has to be recognition by the law. It just may be, therefore, that that is truly all he wants now. It is unlikely that the other will come even in the lifetime of our grandchildren.

Sincerely,
Mrs. Frederick Kendrick,

All Well With Scouts On Plains Of Marathon

Late word from the plains of Marathon and the 11th World Scouting Jamboree, indicates all events are proceeding as planned, according to the "Home Folks" letter sent to the parents of participating scouts.

A recent trans-Atlantic telephone call originating at the scout camp near Marathon and received at the scouting home office in New Jersey, relayed that the scout troops are now solidly in routine with beautiful weather.

The caller passed on the information that the scouting camp-wide games are a great success with "... great charging around and cheering by 12,000 boys... for 3 hours during Classical games...great fun .. real Jamboree spirit in evidence..."

The Talent-O-Rama and swimming were considered the most fun by the boys with almost all the 12,000 scouts completing the rugged physical fitness tests successfully.

American Troop 17 (a troop assignment given the scouts at the Jamboree) was among the first in the Jamboree to have all its boys win the Epithalon Daphnis Laurel Award for participation. Some 12,000 scouts from all the countries competed in the Classical Triathlon athletic events during one morning.

The caller said that during the parade for the royal Greek family, some 88 scouting contingents passed in review with the American scouts receiving enthusiastic applause along the route.

The scouts were shown a world premier of the Cooper space flight with a message to the scouts from President Kennedy. The President is reported to have told the scouts that their Jamboree "...emphasizes the continuing effects of free nations living together in mutual freedom and respect."

One excited 16 year old scout is reported to have said, "In one day I have made more friends than I'd thought possible in my whole life."

A boy from Iowa said, "Just make the scout sign and you've got a new friend."

Randy Warren, son of Mr. and Mrs. Meredith Warren of Canyon, writes weekly about his experiences at the Jamboree. I'll try to start where I left off in my last letter. I think we were about to go to Rome.

"We spent three days at Rome, the first day of which I spent at the Vatican. I climbed up to the top of the cathedral and got some nice pictures. The church is the greatest work of art I have ever seen. It took us all day to see it and we didn't see it all.

"The second day we made a tour of all the old ruins of Rome and the area that is close to the Vatican.

"The third day I went to the Vatican Museum for the afternoon. It was nice but all I saw was pictures and pottery.

"The next day we left for Athens. We got there about 12:30 in the morning and went to bed. We were up by 6:30 and toured the area around Athens for the next two days seeing the ruins around the city. I saw enough old buildings to last me awhile.

"One day we went on a tour down into the interior. We spent the night at some small hotel a day's drive down. We got up and toured our way back to Athens where I toured the Museum of Natural History.

"We left Athens for the Jamboree that afternoon and we had campset up by night. We have really nice tents but they are not heavy enough material to last in the breeze we have.

"We set up a system of jobs for the Jamboree. John Curry and I are the cooks for the whole Jamboree.

"The Plains of Marathon, as they call them, are just a plain dust bowl. The dirt is a clay that blows a lot in the day. We have a nice gentle breeze at night and a strong wind all day long.

"We have all afternoon off every day to trade or do what we want. I go down to the beach and lay in the sun all afternoon and sleep. I'm getting a real good sun tan," Randy said.

Ohio Minister To Fill Pulpit

Rev. Robert S. Winegarner of Lakewood, Ohio will preach in the pulpit of the First Presbyterian Church Sunday morning at 11 a.m.

Rev. Winegarner has been active in two pastorates with special responsibilities for the youth of the church and has worked extensively with the Congregational Youth Conferences (now the United Church of Christ.)

Rev. John Lars Hamerson, pastor of the First Presbyterian Church in Canyon, is expected to return from the graduate school at San Anselmo, California next week. Rev. Hamerson has been attending the San Francisco Theological Seminary and will resume his pulpit duties on August 25.

Mr. and Mrs. Bobby Harris of Borger visited with her parents, Mr. and Mrs. C.W. Davis last week end.

Pasture Fire Is Blamed On Lightning

Thunderstorms crossing the prairie first started and then helped extinguish a grass fire several miles east of Canyon Friday afternoon on the Wilson Brothers Farm.

About 15 acres of short grass pasture were burned during the short lived fire which apparently was started by lightening from a passing rain cloud.

Canyon volunteer firemen rushed to the scene and with the aid of nearby farmers and a timely shower, were able to contain the blaze before it burned over the entire pasture.

Mrs. Meredith Warren, who lives on the hill north of where the fire started, was the first to report the fire.

Visiting in the W. W. Clounch home recently were her sister, Mrs. Sarah Hargett, and her son's family, Mr. and Mrs. Nash Hargett and Barry, all from Russellville, Alabama.

Other guests in the Clounch home have been Mr. and Mrs. E. G. Proposed CONSTITUTIONAL AMENDMENT

NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 21 proposing an Amendment to the Constitution of the State of Texas, amending Sections 51-a and 51-b-1 of Article III so that the same shall consist of one Section to be known as Section 51-a; providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to (1) citizens of Texas who are needy aged persons over the age of sixty-five (65) years, (2) needy persons who are at least eighteen (18) years of age and less than sixty-five (65) years of age who are permanently and totally disabled, (3) needy blind persons over the age of twenty-one (21) years, and (4) needy children under the age of sixteen (16) years; authorizing the Legislature to set up residence requirements for eligibility for such assistance; repealing the Constitutional limit on the amount paid out of state funds to individual recipients of Old Age Assistance and Aid to the Permanently and Totally Disabled; providing that the amounts for such assistance payments shall not exceed the amounts that are matchable out of federal funds for such purposes; providing that the amounts expended out of state funds for such purposes shall not exceed Sixty Million Dollars ($60,000,000); providing for the acceptance of financial aid from the Government of the United States; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 51-a and 51-b-1 of Article III of the Constitution of the State of Texas be amended, and the same are hereby amended, so that the same shall hereafter consist of one Section to be known as Section 51-a of Article III, which shall read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may by the Legislature be deemed expedient, for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are actual bona fide citizens of Texas, and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"(2) Needy individuals, who are citizens of the United States, who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday, who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps and not feasible for vocational rehabilitation; provided that the Legislature shall prescribe the residence requirements for eligibility; provided further, that no individual shall receive assistance under this program for the permanently and totally disabled during any period when he is receiving Old Age Assistance, Aid to the Needy Blind, or Aid to Dependent Children, nor while he is residing permanently in any completely state-supported institution; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"(3) Needy blind persons who are actual bona fide citizens of Texas, and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"(4) Needy children who are actual bona fide citizens of Texas, and are under the age of sixteen (16) years; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"The Legislature shall have the authority to accept from the Government of the United States such financial aid for such assistance as such Government may offer not inconsistent with the restrictions herein set forth; provided, however, that the amount of such assistance out of state funds to each person assisted shall never exceed the amount matchable out of federal funds; and provided further, that the total amount of money to be expended per year out of state funds for such assistance shall never exceed Sixty Million Dollars ($60,000,000).

"The Legislature may enact appropriate laws to make lists of the recipients of aid hereunder available for inspection, under such limitations and restrictions as may be deemed appropriate by the Legislature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for assistance payments to the (1) needy aged, (2) needy individuals who are permanently and totally disabled, (3) needy blind and (4) needy children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the payment of assistance grants on behalf of such recipients; providing for the acceptance of funds from the Government of the United States for the purpose of paying such assistance grants; providing that the amounts expended out of state funds on behalf of individual recipients shall not exceed the amounts that are matchable out of federal funds; and providing further, that the total amounts expended per year out of state funds for such assistance payments shall never exceed Sixty Million Dollars ($60,000,000)."

"AGAINST the Constitutional Amendment providing for assistance payments to the (1) needy aged, (2) needy individuals who are permanently and totally disabled, (3) needy blind and (4) needy children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the payment of assistance grants on behalf of such recipients; providing for the acceptance of funds from the Government of the United States for the purpose of paying such assistance grants; providing that the amounts expended out of state funds on behalf of individual recipients shall not exceed the amounts that are matchable out of federal funds; and providing further that the total amounts expended per year out of state funds for such assistance payments shall never exceed Sixty Million Dollars ($60,000,000)."

Sec. 3 The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

Coppini Art Collection At Museum

Panhandle Plains Museum recently received an exhibit of 85 paintings from the Coppini Art Academy of San Antonio, Texas.

The paintings will be exhibited on the second floor Hall of Fine Arts in the Panhandle Plains Museum in Canyon.

The paintings, which will be on exhibit and offered for sale, will be the subject during an informal tea and reception Sunday, September 1 in the Hall of Fine Arts at the museum. Artists from the Coppini Academy will be guests at the reception.

The art objects of the renowned Waldine Tauch of San Antonio have been on exhibit for several months at the museum.

Museum director Boone McClure said Miss Tauch, who is one of the foremost Southwestern sculptresses, has instructed the museum to keep certain of her art objects pending their final acceptance by the executive committee of the museum.

Miss Tauch had already donated several of her more important works of sculpture to the museum, including the Texas Ranger, exhibited in bronze at Love Field, Dallas and Pippa Passes, exhibited in bronze at the Browning Library of Baylor University.

Recent guests in the Gene Root home have been her sister, Mrs. Tom Harbert, from Dumas and a niece, Mrs. Vick Kroeger, from Seward, Nebraska.

Mrs. Koeger will spend several days in the panhandle visiting with relatives before returning to Nebraska.

Visiting with Rev. and Mrs. J. H. McWilliams over the week end were Mr. and Mrs. Eules Sanders and daughters, Patsy and Pamela from Santa Anna, California.

Prairie Wildlife

HUNTING, FISHING AND CONSERVATION

Fishing season isn't over yet and the hunting has already started. Bow hunting for deer in Colorado is getting off to a fast start this month with an early season for the stalk 'em to shoot 'em fraternity.

Several of the game and fish commission biologists are heading Colorado way next weekend for the bow hunt in the National Forests of Colorado. Prairie Wildlife plans to tag along for some of the action.

Bow hunting is often one of the more controversial ways to get your game. To be effective with a bow and its broad head arrow, the hunter must successfully get within a few dozen yards of this game to be certain of getting a good hit. Gun hunters can get their game from as far as several hundred yard.

The close stalking approach for bow hunters requires the best in woodsmanship and often results in a low kill ratio for the bow hunters as compared with the gun boys.

The sport is more of a challange than using a gun and in areas where there are likely to be more than a few hunters, it is a safer way to hunt.

Bow seasons are usually held before or after the regular gun hunting seasons for safety reasons. A bow hunter stalking a deer often looks too much like a deer himself to take a chance with gun hunters in the neighborhood. T'aint safe.

Those who oppose bow hunting say it is a cruel way to kill game and inexperienced bow hunters often leave wounded animals which run off and die slowly instead of quickly as with gun hunting.

True. But within our experience, the vast number of bow hunters that pit their skill against spooky wild game do an admirable job of policing themselves to making clean hunting kills. The pros and the cons could argue all night on the issue. As we said, bow hunting is a controversial way to hunt.

We prefer to hunt with a camara.

Fishing has certainly slowed down during the last week or so. Old timers at Buffalo Lake tell us that channel catfish have just about quit biting, although by the time this gets on the street, they may have picked up again. The nice little shower we had Friday might encourage their feeding activities.

Highway Patrol Seeks Recruits For Vacancies

Higher pay, better training, more opportunities and a chance to be located near present home were featured items in the Texas Department of Public Safety's bid this month for more than a hundred new highway patrolmen.

The vacancies for Texas Highway Patrolmen were announced by Major Harry Hutchison, Regional Commander of the DPS, as the first openings available for additional highway patrolmen only since 1957. Until this time applicants made application for the position of patrolman within any of the department's four uniformed field services. Due to the shortage of highway patrolmen, a training school will be held in November for the Highway Patrol Service alone according to the Major.

"Many favorable features are available to new members of the DPS that were not enjoyed previously," Hutchison said.

"Every effort will be made to assign prospective applicants within one hundred miles of their home. Trainees will draw higher pay while in training which will automatically increase to a basic salary of $435.00 per month upon graduation.

New employees will receive thorough training in every function conducted by the Texas Highway Patrol, qualifying them for immediate transfers and promotions to other positions outside their regular function. Not only does the department offer excellent police training, but also, a modern liberal retirement system, based on age and/or years of service. If you are interested in a job with many benefits, and security, we invite you to view the qualifications in the light of your own ambitions.

"The Highway Patrol offers a position of trust, responsibility and respect in the community in which one lives. As long as he fulfills these responsibilities placed upon him by the state of Texas, the patrolman has the satisfaction of serving his fellow Texans in a vital capacity and he has a career with security, a fair basic salary of $435.00 per month, and many other benefits afforded the uniform service men of the Texas Department of Public Safety. Additional advantages are given employees in the form of holidays, vacation, sick leave, travel expense, uniforms, insurance, and all needed items to perform the job," Hutchison said.

For complete information concerning the position of Texas Highway Patrolman, training and benefits, Hutchison asked that those who are interested contact the nearest Texas Highway Patrolman or DPS office. "in return," he said, "they will receive complete information in regard to the examination to be given September 14, 1963."

Miss Ann Hamberson has had as her guest for the past two weeks Miss Dianne Wightman of Colorado Springs, Colorado.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 26 proposing an amendment to Article XVI, Section 62 of the Constitution of Texas, by adding thereto a new subsection authorizing all political subdivisions of Jefferson County, Texas, to provide retirement, disability and death benefits for all appointive officers and employees of all political subdivisions within Jefferson County; providing for the necessary election, form of ballot, proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 62 of Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new subsection (e), reading as follows:

"(e) Each political subdivision within Jefferson County, Texas, shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for all appointed officers and employees of all political subdivisions within Jefferson County, Texas; or said political subdivision may elect to join the County Retirement System of Jefferson County; provided that same is authorized by a majority vote of the qualified voters of such political subdivision and after such election has been advertised by being published in at least one (1) newspaper of general circulation in said county once each week for four (4) consecutive weeks; provided that the amount contributed by the said political subdivision to such Fund shall at least equal the amount paid for the same purposes from the income of each such person and shall not exceed at any time seven and one-half per centum (7½%) of the compensation paid to each such person by the political subdivision.

"All funds provided for the compensation of each such person, or by the political subdivision of Jefferson County, Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the political subdivision within said county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and providing that the recipients of benefits for said Fund shall not be eligible for any other pension retirement fund or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the political subdivision is released to the State of Texas as a condition to receiving such other pension aid."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1964, at which election each ballot shall have printed thereon the following words:

"FOR the addition of subsection (e) to Section 62 of Article XVI of the Constitution, to authorize all political subdivisions within Jefferson County, Texas, to establish, after approval of its voters, a Retirement, Disability and Death Compensation Fund covering all appointive officers and employees of said political subdivisions."

"AGAINST the addition of subsection (e) to Section 62 of Article XVI of the Constitution, to authorize all political subdivisions within Jefferson County, Texas, to establish, after approval of its voters, a Retirement, Disability and Death Compensation Fund covering all appointive officers and employees of said political subdivisions."

Section 3. The Governor shall issue the necessary proclamation for said election to be held on the first Saturday after the first Monday in the month of November, 1963, and have notice of said proposed amendment and of said election published as required by the Constitution of Texas and laws of this state.

Government Instructor Forecasts Many Changes

Patriotism, academic freedom and the country's future were discussed Wednesday of last week at a meeting of Canyon Lions Club by George Ritter, government instructor at West Texas State University.

What is patriotic today may not have been patriotic yesterday and may not be patriotic tomorrow was the gist of the speaker's discussion on patriotism.

On academic freedom, Ritter said teachers must be free to discuss ideas. He said teachers should not advance one idea as being better than another but should test all ideas.

He said a teacher must not tell the public "that this is better than that."

"People of the teaching profession cannot take an absolute position," he declared.

For the future Ritter predicted that the American people will demand more government. He even went so far as to predict that this country will try socialism. Other ideas will follow socialism, he declared.

Ritter quoted from a publication which forsees great affluence in America by 1983. He said the publication predicts an average annual family income of $15,300 computed in present day buying power.

He said the publication predicted healthier people and a populations of 250,000,000 in 20 years.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 1 proposing an amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 4 of Article VI of the Constitution of the State of Texas be amended to read, respectively, as follows:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces; and provided further, that before offering to vote at an election a voter shall have registered if required by law to do so. The Legislature may authorize absentee voting. This Amendment shall take effect on December 1, 1963.

"Section 4. In all elections by the people the vote shall be by secret ballot. The Legislature shall provide for the numbering of ballots and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of elections, and may provide by law for the registration of all voters. Should the Legislature enact a registration law in anticipation of the adoption of this Amendment, such law shall not be invalid by reason of its anticipatory character."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

"AGAINST the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 16 proposing an amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Three Hundred Fifty Million Dollars ($350,000,000.00); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advise and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Three Hundred Fifty Million Dollars ($350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars ($200,000,000.00) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by $150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by $150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Mrs. Long Attends Conference

Mrs. Clara B. Long, home economics teacher at Canyon High School, attended the State in Service Education Conference for Homemaking Teachers of Texas last week.

The week of convention activities was held at the Statler Hilton in Dallas. "The Role of Homemaking Education in a World of Change" was the theme for the convention that examined the homemaking program and suggested studies and ways to strengthen the program in schools.

Among noted speakers on the programs were Dr. J.W. Edgar, Commissioner of Texas Education Agency; M.A. Browning, Director of Texas Vocational Agency; Dr. W. Temple, Head of Homemaking Department at East Texas State College in Commerce; L.P. Sturgeon, Head of Public Relations Department for the Texas Education Agency; and Dr. A. Tinsley, Dean of the School of Home Economics at Texas Technological College in Lubbock.

Mrs. Long, as president of District 9 of the Texas Vocational Association, was in charge of registration and was one of the members that organized the Vocational Homemaking Teachers Association. Mrs. Long was elected to the Board of Directors for the Texas Vocational Homemaking Teachers Association.

Two Joining Music Staff

Two new instructors in music will join the West Texas State University faculty when the fall semester opens Sept. 16, President James P. Cornette has announced.

They are Peter A. Klaisle, instructor in piano, and Dale R. Jergenson, instructor in voice.

Klaisle earned both B.M. and M.M. degrees at the University of Denver, and he studied a year at the State Academy of Music in Munic, Germany. Besides teaching privately, he taught three years at Limestone College in Gaffney, S.C.

Jergenson holds the B.A. and M.A. degrees from San Diego State College, where he performed lead tenor roles in 12 operas for the San Diego State Opera Workshop. He has also performed in and directed musical comedies.

He directed the San Diego State College Chorus and has composed background and incidental music for several plays and television productions.

Unique Flying Service Observes Third Birthday

BY JIM THOMAS

Western Air Ambulance Service of Canyon is one of the more unique flying services in Texas.

The flying ambulance and charter service recently started its third year in the business with a 2400 mile trip to Calgary, Alberta, Canada to deliver a stretcher patient and her registered nurse.

Lee Harlan, pilot for the company, says they started the trip one morning, cleared customs on the Canadian border, deposited the patient and returned through customs to their home airport near Canyon by the next afternoon.

The speedy ambulance service started its operations in August of 1961 with a Beech Bonanza single engine plane. The craft is equipped with emergency oxygen and is air conditioned for passenger comfort.

Harlan says they have flown better than 15,000 miles during the month of July alone. The company does both ambulance and private charter flying, about half the trips for emergency or ambulance cases.

Harlan says there is no accurate way of telling just how many trips the company has made during its three years history. "Probably over 250 trips, at least half of which were ambulance trips," Harlan said.

"We've been to New York and to Calgary in Canada. The trip to Canada was a complicated one for us because of the customs requirements we had to go through. There is no problem if you are flying a private plane over the Canadian border, but when you cross with a plane that has been hired, the customs people want you to check in and check out as you fly in and out of the country.

"The checking in and out has to be done between the hours of 8 a.m. and 5 p.m. so you have to schedule your flying accordingly. That trip was 2400 miles there and back.

"We also went to Las Vegas, Nevada, recently on a trip that covered 1600 miles in 12 hours including stops. That was less than 10 hours flying time for the 1600 miles. We left at 10:30 in the morning and returned to Canyon by 10:30 that night.

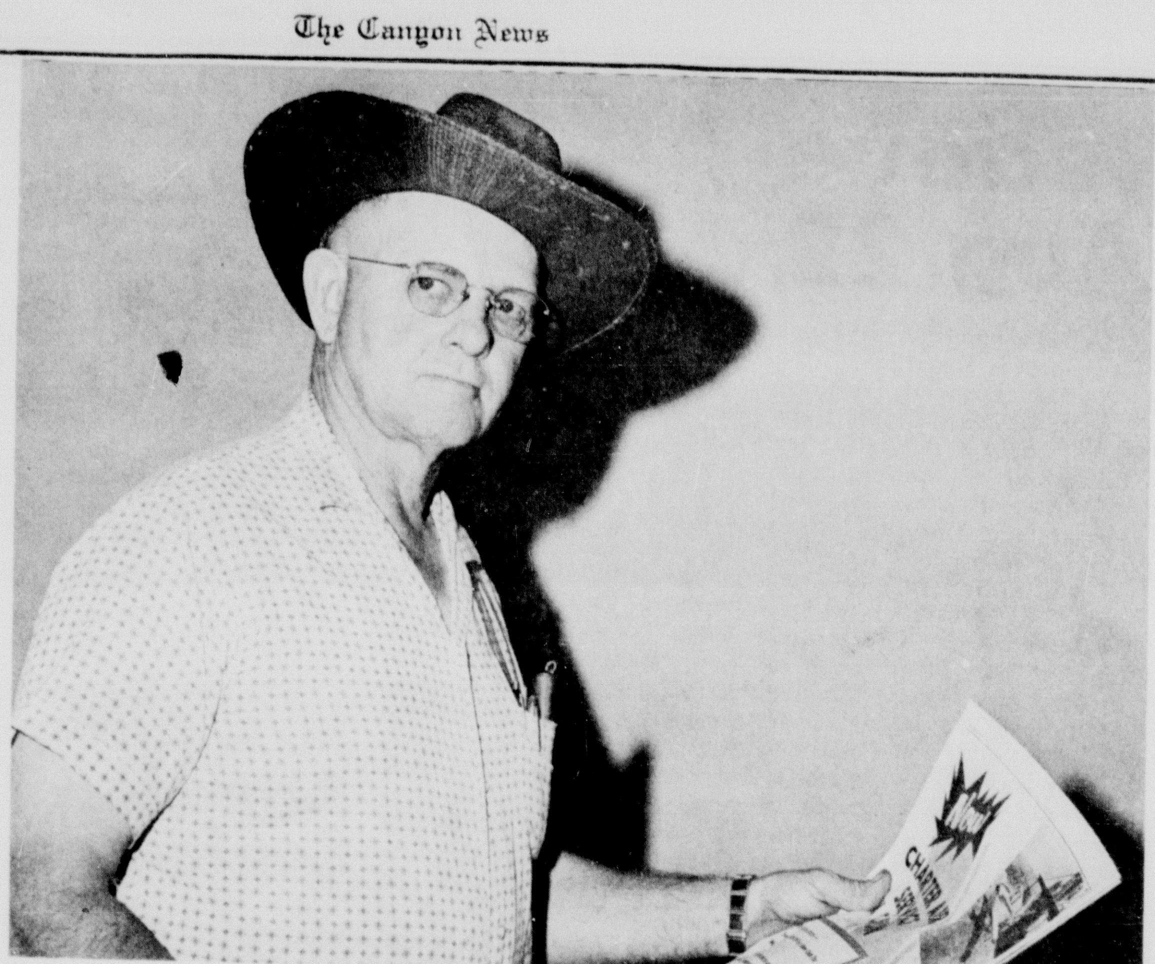
I have been flying for over 8000 flying hours and never have had an accident. The plane is checked every 100 hours of flying time for safety by a Federal Aviation Agency approved aviation mechanic," Harlan said.

The Western Air Ambulance Service was born when Harlan became pilot for the company with J. T. Gillham of Canyon as owner. That was in August of 1961.

Harlan has had four years of experience in the same field with other air ambulance companies in Plainview, and in Oklahoma City.

Harlan was a test pilot on the Martin B-26 and Boeing B-29 for 3 years during World War II and has a total of 8000 flying hours.

His pilot's license rates him for commercial instructor, multi-engine and instrument flying. He has flown charter and ambulance service all over the U.S.A., Mexico, and Canada since 1957.



Lee Harlan, pilot for Western Air Ambulance Service of Canyon, looks over a Canyon News ad that helped get the unique air ambulance service started over three years ago. Western Air Ambulance celebrated its third year in the business by flying a stretcher patient all the way to Calgary, Alberta, Canada. Harlan flew the patient and her registered nurse up one day and returned to Canyon the next day.

Mr. and Mrs. Ralph Cooper and family from Santa Anna, California recently visited with his parents, Mr. and Mrs. Claude Cooper, and other relatives in the Canyon area.

They also went to Denison to visit with her mother, Mrs. Rice, and other relatives.

William A. Moore, left, and Nancy Davis of Canyon appear in "The Merchant of Venice," a Shakespearean comedy, which opens Thursday for a three-night run in the Branding Iron Theatre at West Texas State University. Moore plays Gratiano and Miss Davis is Nerissa in the play, directed by William A. and Margaret Echols Moore. Curtain-time each night is 8:15, and admission is $1 and 50 cents.

The Merchant Of Venice Set This Week At BIT

Closing out the 16th summer season for the Palo Duro Players at West Texas State University, Director William A. Moore has selected one of Shakespeare's most popular comedies, "The Merchant of Venice." The production will be staged in the Branding Iron Theater Thursday, Friday and Saturday.

The show will bring to a starring role a mobile-faced Amarillo senior, Harry Gilstrap III, a veteran actor who for four years has played varying roles in drama, comedy, musicals, and past Shakespearean productions.

Gilstrap will portray Shylock to climax his BIT career. His most notable Shakespearean role previously was that of the pedant in "The Taming of the Shrew," produced in 1962. Another member of that cast, Jerry Ballew of Perryton, who played Petruchio, will return to the summer stage to play Bassanio.

Presented in conjunction with the Texas Shakespeare Festival, "The Merchant of Venice" will be staged each night at 8:15. Admission will be $1 for adults and 50 cents for students and children. West Texas State students will be admitted on their activity tickets.

Alpha Psi Omega, national dramatics fraternity, will serve coffee and cold drinks for benefit of a scholarship fund.

Moore will be assisted by his wife, Margaret Echols Moore, in directing. Sets are designed by Erin Wertenberger, and music is by Linda Adams of Canadian.

Other cast members include Don McPherson of Amarillo as Antonio; Mike Connell of Muleshoe as Salanio; Bob Haggard of Canyon as Salarino; Guy Paul Yates of Amarillo as Lorenzo; WAM Moore of Canyon as Gratiano; Marilyn Pool of of Amarillo as Portia; Nancy Davis of Canyon as Nerissa; Lewis Waggoner of Perryton as Balthazar.

Johnny Boroumand of Iran as the Prince of Morocco; Russell Farr of Canyon as Launcelot Gobbo; Carroll Killingsworth of Wheeler as Old Gobbo; Jackie Fuqua of Pampa as Leonardo; Jenny Lynn Massad of Spearman as Jessica; Martin McDonald of Brownfield as the Prince of Aragon; Earl McDavid of Amarillo as the Duke of Venice; Russell Killingsworth of Wheeler as a page; and Rose Ellen Parker of Canyon, Rita Stubblefield of Hale Center, and Carolyn Vinson of Panhandle as ladies-in-waiting.

Visiting with Mr. and Mrs. Ed Money and Mr. and Mrs. Ross Campbell recently was James Fortner of Santa Anna, California. He is a brother of Mrs. Money and Mrs. Campbell.

Mr. and Mrs. B. A. Moore and daughter, Mrs. Dale White, were in Graham recently to visit with his brother's family, Mr. and Mrs. Carroll Moore, and other relatives for a few days.

Arkansas President To Speak

Dr. David W. Mullins, president of the University of Arkansas, will be speaker for West Texas State University's summer convocation Aug. 22, when about 190 candidates are expected to receive degrees.

The commencement activities will begin at 8 p.m. in the Fieldhouse, with President James P. Cornette conferring degrees. He will be assisted by Deans Walter H. Juniper and James L. Russell and Registrar Frank H. Morgan.

A reception for summer graduating students and their families will be held at their residence by President and Mrs. Cornette from 8 until 10 p.m. Tuesday.

A native of Arkansas, Dr. Mullins graduated "com laude" in 1931 from the University of Arkansas. He earned the M.A. from the University of Colorado and the D. Ed. from Columbia University. He taught for 18 years at Auburn University, including 11 years as the University's executive vice president.

Dr. Mullins is president of the Southern Association of Land Grant Colleges and State Universities. He is a member of the National Commission on Accrediting, the Committee for the Advancement of School Administration, and the National Planning Council of the National Planning Association.

He is also a director of the Arkansas State Chamber of Commerce, a trustee of the Southwest Research Institute of San Antonio, and a director of the Graduate Research Center of Dallas.

There's something magic about a cook-out. With the first smell of burning charcoal the kiddies take over the picnic table. Fork in one hand . . . spoon in the other. "Isn't it about done, Dad?" And then finally, the servings . . . and then another, followed with smiles of satisfaction. These are the moments we all remember. Cook-out Time IS Togetherness Time.
